# Our Foundation

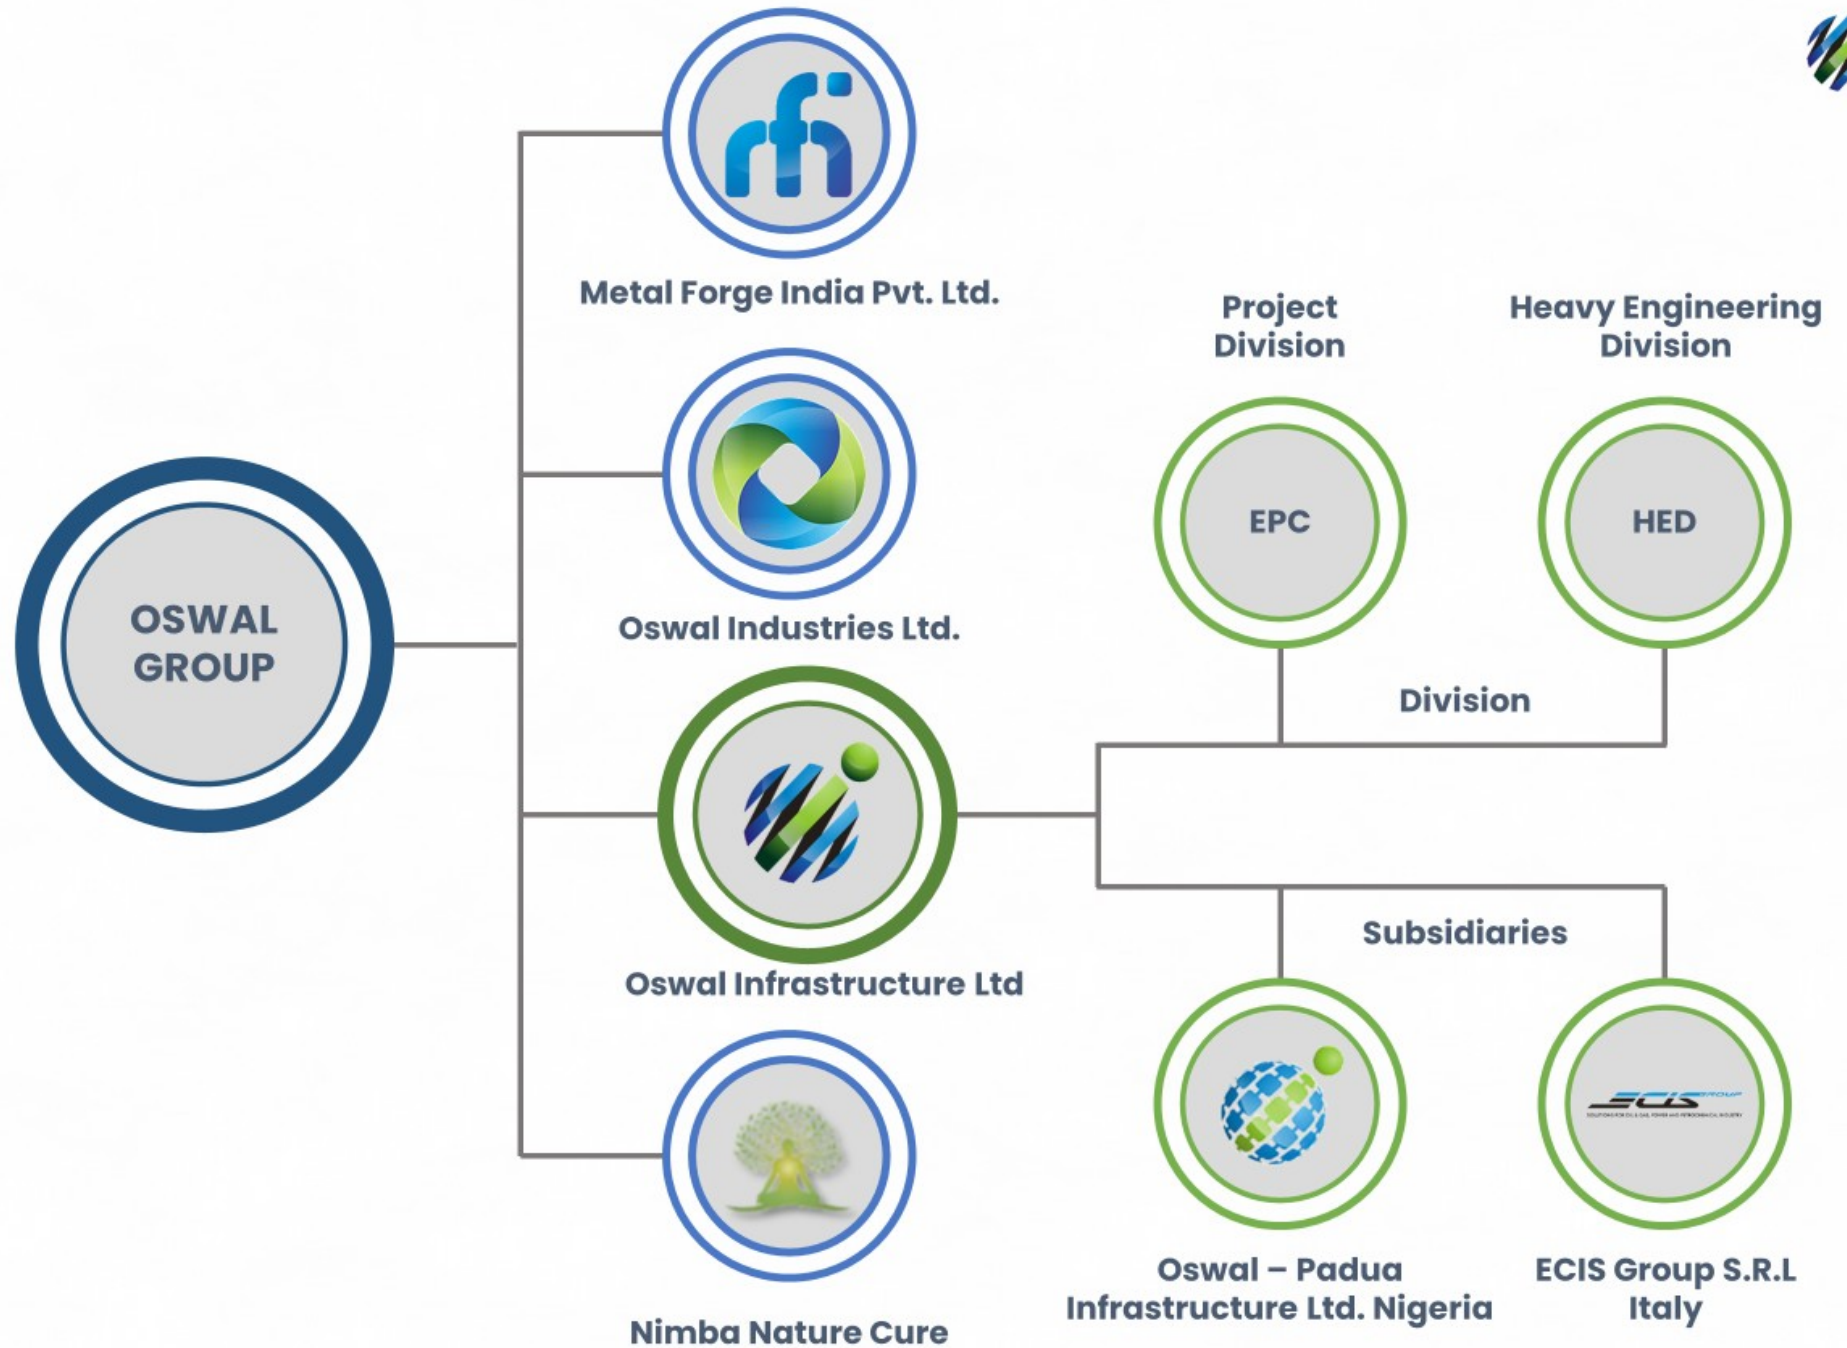

OSWAL Infrastructure Limited, conceived with a vision for advancing infrastructure in key industrial sectors, notably Oil and Gas, Petrochemicals, Chemicals, and Fertilizers, began its journey as a humble fabrication unit in 2011. Since then, OSWAL Infra has emerged as a technology-driven global solution provider in the Indian Infrastructure Sector. With distinct verticals.

- **Project Division.**
- **Heavy Engineering Division**

OSWAL is committed to delivering adaptable design solutions at an optimal cost. Our swift and cost-effective approach consistently meets the diverse business objectives of our valued customers.

# Company Structure

# Company Statement

## Vision

To be a globally respected company that provides world class engineering and automation solutions to customers through continuous improvement driven by innovative technology, commitment and teamwork.

## Mission

Being a leader in Engineering, Procurement & Construction. Oswal Infra is committed to provide Modular Package solutions to all our clients.

## Values

We are willing to adapt to changes to meet the challenges of the market place but will not compromise on our beliefs, ethics and integrity. We will

- Aim for the highest customer satisfaction.
- Be caring for our stakeholders, people and our society.
- Be passionate for continuous innovation and high performance.
- Respect for safety and environment.

# Management Team

Vice President  
(Business Development)

# Milestones

**A decade defined by quality and on-time performance.**

**Inception of Oswal Infrastructure Ltd. Received first order from GSPC**

**Oswal entry in O&G EPC Project – First order from Cairn India for QPF**

**Oswal enlistment with EIL, ONGC, PDIL, HPCL, BPCL. Our first order from EIL.**

**Our prestigious order from Exxon Mobil for Heat Exchangers, Separators and Pressure Vessel for Joilet Refinery.**

2011

2012

2014

2016

2017

2018

2022

Today

**First EPC project from Continental Tyres for Mechanical Utility Work.**

**First Gas Pipeline laying Project from Gujarat Gas. Acquisition of ECIS Group S.r.l in Italy.**

**Our prestigious order from BHGE for MBA-2 ASP pilot project of Cairn Oil & Gas.**

**OIL establishes itself as a leading Hydro-Carbon EPC company, driving cutting edge technology into its products & services**

# Accreditations

## ISO 9001-2015

## ISO 14001-2015

## ISO 45001-2018

**SAFETY  
FIRST**

## Policy (QHSE Standards)

Oswal Infra aims at being a strategic and reliable EPC (Engineering - Procurement - Construction) partner for the Oil&Gas, Power and Petrochemical industries, offering a portfolio of quality products and services that satisfy Customers' specific needs and applications.

Oswal Infra is dedicated to excellence, setting the benchmark in QHSE norms to ensure a safer environment and deliver unparalleled quality in our services and products.

- ZERO TOLERANCE TO HSE POLICY
- AWARENESS OF HSE POLICIES AND TRAINING ON SAFETY
- ENSURING 24/7 MEDICAL AID
- NON-VIOLATION OF ENVIRONMENTAL POLICY
- DEPLOYMENT OF COMPETENT PERSONNEL
- CLOSE SUPERVISION OF OPERATIONAL ACTIVITIES
- NON-VIOLATION OF LABOR LAWS/ACTS
- IT IS OUR UTMOST PRIORITY TO ENSURE SAFETY OF OUR EMPLOYEES

## One Stop Solution

**Process Packages**

# Heavy Engineering Division

## Products & Services

### Process Skids

- Gas Pressure Reducing & Metering Skids
- Gas Conditioning Skids
- Two Phase / Three Phase Separator Skids
- Chemical Injection and Dozing Skids
- Lube Oil Skids
- Fuel Forwarding Skids
- Condensate Recovery Skids
- Manifolds

### Process Packages

- Instrument And Service Air Package
- Water Treatment Package
- Glycol Dehydration Package
- Nitrogen Production Package: Membrane & PSA
- Hydrogen Production Package
- Early Production Set-ups
- Vapor Recovery Unit

### Process Equipment

- Pressure Vessels
- Shell and Tube Heat Exchangers
- Air Cooled Heat Exchangers
- Distillation Columns
- Reactors
- Pig Launchers / Receivers

## Key Projects

# Sun Petrochemicals Pvt. Ltd.

## Surface Facility Development & Crude Pipeline

# Grasim Industries Ltd.
